- Tap Enroll. 9:41 .ul 🕏 🖿 Program details < Eversource's New Hampshire Clean Energy Fund Battery storage program Program description: Welcome to the enrollment process for the Eversource's New Hampshire Clean Energy Fund Battery Storage Program. If you are an Eversource customer in New Hampshire, you can earn upfront incentives for enrolling your home battery to support the grid during high demand periods.

Check or input your personal info on the Submit the information page.

You need to review the information and then select the button to agree to the Terms & Conditions.

Tap **Submit** to submit the application.

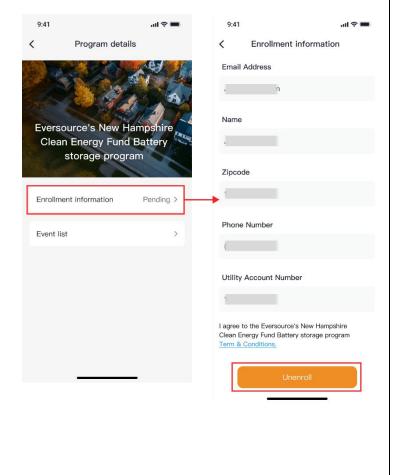

5. You will receive a notification once the application has been successfully submitted.

"Thank you for applying to the Eversource's New Hampshire Clean Energy Fund Battery Storage. You will receive an email or message in-app with your application status within the next 2 weeks."

The **Enrollment information** status on the **Program details** page will be **Pending**.

Tap the **Enrollment information** bar to enter the **Enrollment information** details page and check the submitted information.

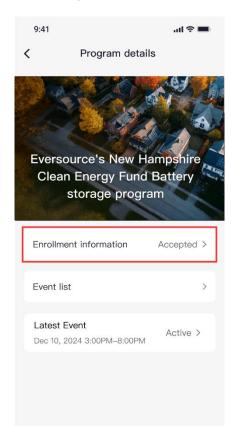

You may tap **Unenroll** to opt-out the program if needed. Please consult Eversource before unenrolling from the program.

A notification will be sent once the utility has reviewed the application.

The **Enrollment information** status will change to **Accepted** or **Rejected**, depending on the result.

7. 24 hours prior to an event, you will receive a notification informing you of event times and power to be supplied to the grid.

## Example:

"Join the Clean Energy Fund Battery Storage Program export period from [Date][Time] to [Time], power xx kW.

Participate in event set to Active."

Tap the **Event list** bar on the **Program details** page (shown in the previous step) to enter the **Event list** page. Select the specific event to check the event details.

Participate in the event is enabled by default.
