

FranklinWH Lifting Dolly Warranty

Version 1.2

Warranty Statement

The FranklinWH Lifting Dolly warranty period is as shown in the table.

Product List	Warranty
Main Frame (Steel body)	2 years
Tires	3 months
Safety Straps	3 months
Hoist	1 year

This warranty does not apply to the following situations:

1. Don't use impact driver, always set driver clutch lowest functional setting to lifting dolly.
2. Stop the drill when platform reaches max/min heights, to prevent damage.
3. Hold the dolly handle during lifting to stabilize it.
4. Do not leave lift with raised aPower unattended.
5. Please scrap the hoist after 2 years of use.
6. Product damage and defects caused by improper use, misuse, abuse, or negligence.
7. Damage caused by accidents, improper transportation, handling, or storage.
8. Installation of the product in a manner not specified in the installation manual.
9. Disassembly or dismantling of the product without prior approval from FranklinWH.
- 10.Unexplained bulging, tire explosions, or damage caused by external forces such as impacts, punctures, etc., are not covered by the warranty.
11. The strap has been chemically corroded for human reasons.
- 12.The handle is damaged by applying more than the specified force, and the maximum force applied on the hand does not exceed 500 Nm.
- 13.When consumable parts are damaged during the warranty period, you can present the purchase invoice and SN code to the after-sales personnel. For subsequent damage, please contact our after-sales department for purchase. Contact information:
