- The returned Franklin Home Power products must be packed and shipped according to the FranklinWH RMA process.
- Installer has submitted a claim for reimbursement within 30 days of completing the Eligible Product Warranty Replacement.

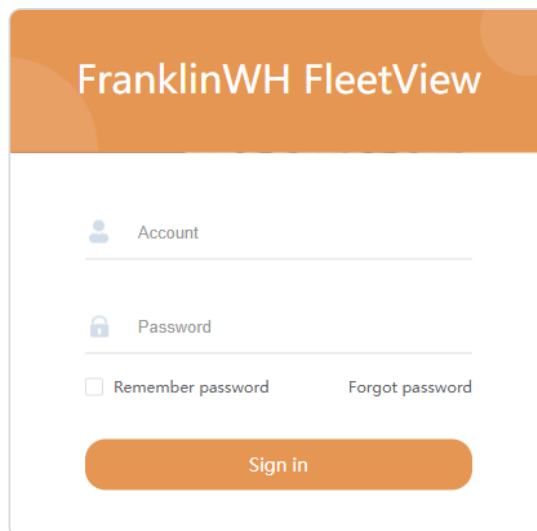

Labor reimbursement process

Prerequisites

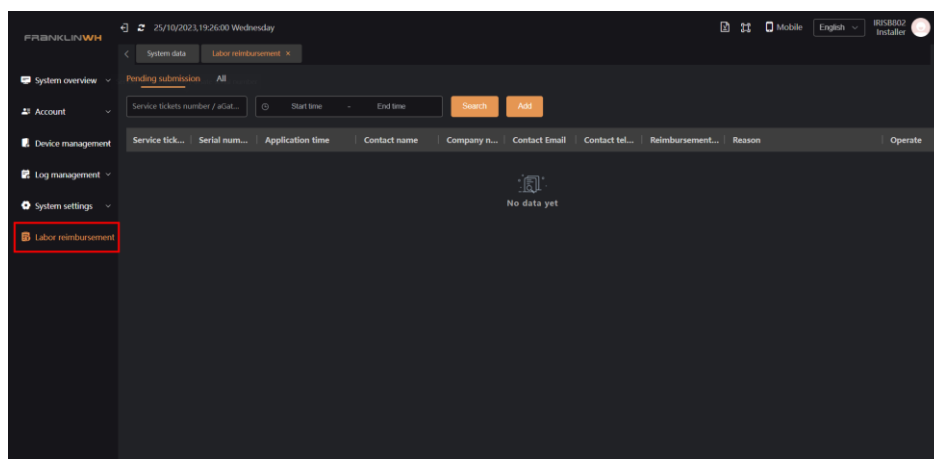

- Request from FranklinWH a remote diagnosis on an Eligible Product(s) at issue.
- Obtain an RMA from FranklinWH.
- Perform the Eligible Product Warranty Replacement at the site.
- Return the defective Eligible Products according to the return label on the RMA shipping packaging.
- Submit the labor reimbursement application within 30 days of completing the Eligible Product Warranty Replacement, login to your FleetView account (As shown in Step 1).

Procedure

Step 1. Use the admin account to log into FranklinWH FleetView.

The image shows the login interface for FranklinWH FleetView. It features an orange header with the text "FranklinWH FleetView". Below the header, there is a white box containing the login fields. The first field is labeled "Account" with a user icon. The second field is labeled "Password" with a lock icon. Below the password field, there is a checkbox labeled "Remember password" and a link labeled "Forgot password". At the bottom of the white box is an orange "Sign in" button.

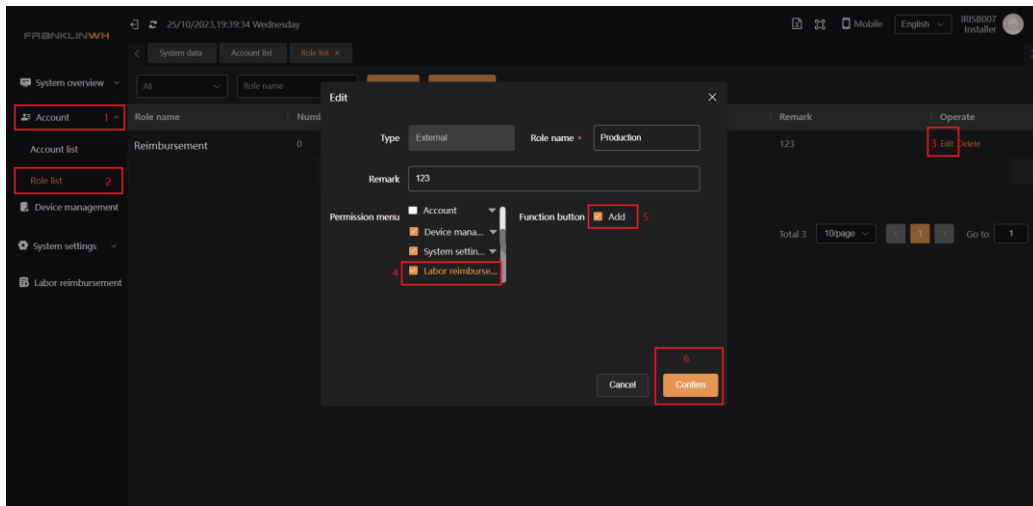

Step 2. Click the **Labor reimbursement** on the left menu of the FleetView portal.

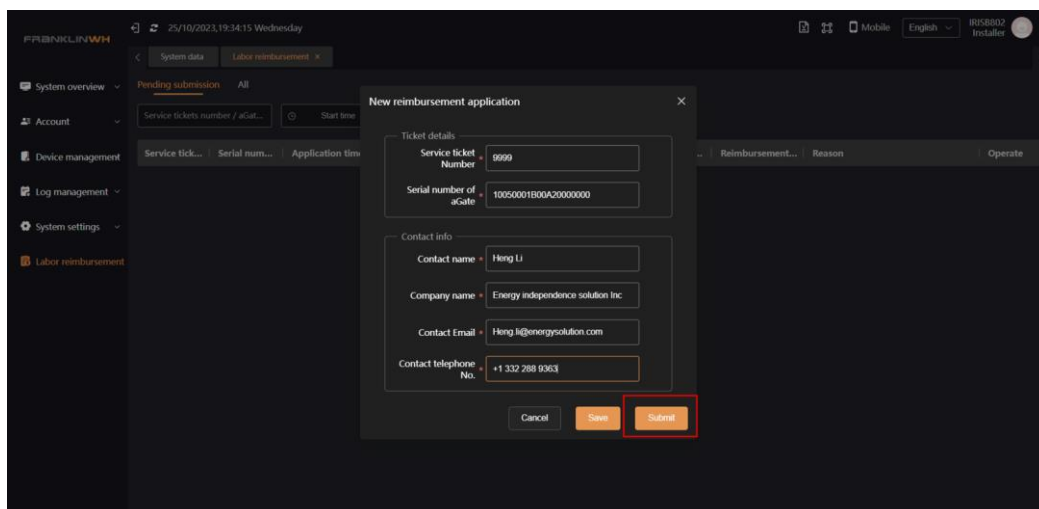

***Note:** If "Labor Reimbursement" does not appear in FleetView, please ask your company's account administrator to grant this permission to you.

Step 3. Click the **Add** to open a new labor reimbursement application.

If this is your company's first time applying for labor reimbursement, be sure to submit a W-9 attachment.

Step 4. Submit the application after you complete the labor reimbursement application.

***Note:** Once we've received your application, the FranklinWH team will contact you to verify reimbursement information. Payment is made after verification and the receipt of the defective Eligible Products by the FranklinWH team.
